TERMS AND CONDITIONS – COMPATIBILITY LIST

- Due to the large number of different mobile phones/tablets on the market, and the fact that they are under continual development, coVita LLC | Bedfont Ltd. cannot fully guarantee compatibility with any phone/tablet, and we always recommend checking the compatibility list before purchasing the iCO™.
- Only those versions of selected mobile phones/tablets above are tested and supported. The same applies to firmware and software.
- The functions of the tested mobile phone/tablet may differ from a related mobile phone depending on the specifications for the respective country or service provider.
- The mobile phones/tablets were tested with the latest operating systems and versions available at the time of testing. Therefore, it cannot be ruled out that the scope of functions of a mobile phone/tablets with a different operating system will differ from the one tested, and coVita LLC | Bedfont Ltd. does not take responsibility for the regular updates released by mobile phone/tablet companies and application developers.
